

## Student Dormitories under the jurisdiction of Division of International Affairs

### 1 Objectives of Student Dormitory

Kansai University operates dormitories not only to provide accommodation, but also to expect educational effect. Living in dormitories with other residents under certain regulations will make residents more resourceful. Furthermore, we expect them to foster a global mindset by cross-cultural communication.

#### **Student House Shurei-ryo** Capacity: 181 people (double occupancy \*some single rooms available)

※Residential facility for male.

This dormitory is a male dormitory located 5 minute-walk distance from Kansai University Senriyama Campus. Regular undergraduate, graduate students, and also exchange students from partner universities are able to enter the dormitory.

All rooms are equipped with the Internet (wireless LAN) and an air conditioner. Not only there is a dining hall where the meals will be served (fare-paying), but also there are shared facilities such as a library, a bath, a lounge, pantry, shower rooms, and laundry rooms. The dorm manager is stationed in the dormitory from 6:00 am to 10:00 pm, and the main entrance is a self-locking door. Smoking is prohibited inside the dormitory except for the designated areas.
