I Kansai University Japanese Language and Culture Program Japanese Language and Culture Course (JLC, hereafter)

1 JLC

JLC takes place at Kansai University Senriyama Campus. Located approximately 20 minutes away from downtown Osaka by train, the campus is convenient and situated in a beautiful and quiet environment suitable for both living and studying. This spacious campus of 350,000 square meters is an educational and research institution with 10 undergraduate, 10 graduate programs and 3 professional graduate schools.

The purpose of JLC is to provide instruction in the Japanese language and Japanese culture to international students who are enrolled in or have graduated universities and graduate schools outside of Japan. The course consists of ‘Japanese Language’ ‘Global Liberal Arts Subjects’ taught in Japanese, and ‘Japan Studies’ ‘Global Frontier Classes’ ‘Professional Education of the law faculty’ taught in English.

2 Characteristics

JLC has 4 important characteristics:

(1) Various Levels of Japanese Language

JLC offers 6 levels of Japanese language from the beginner to advanced level so that students are able to take classes in accordance with their linguistic ability (level of Japanese proficiency).

(2) Japanology Classes in English

As well as “Japanese Language” classes, varieties of “Japan Studies” classes are taught in English at JLC. Students are able to look at Japan from various perspectives and enhance knowledge of history, culture, literature, society, politics, science, and technology.

(3) “Global Frontier Classes” in English

Taught entirely in English, students will cultivate a high level of communication competency through these classes. Students will also develop capabilities for problem-solving needed in global business, and the attributes expected in internationally minded individuals.

(4) Dormitory

Students are able to apply for international dormitories where they can live and learn with other international students as well as regular students. Resident assistants who are students at Kansai University will live in the dormitories to support the daily life of international students.

(5) Kansai University Community

Students enrolled in the JLC will be immersed in school life as a member of the Kansai University community. Each student will be issued with student ID to use facilities at Kansai University such as the library and IT Center. Also, students can participate in varieties of activities with exchange students and Japanese students.

3 Period of Study and Admission

Period of study is either one semester (half a year) or two semesters (one year). The JLC employs the semester system so that students can start the course either in the Spring (April - September) or the Fall Semester (September – March next year).

III Obtaining a Residence Visa

1 Application Procedure of Obtaining a Visa

In order to stay in Japan as an international student, in principle you will be required to obtain College Student visa. After the registration procedure is completed, Kansai University will act as a representative in the application for a Certificate of Eligibility which is necessary to obtain the College Student visa. As soon as the Certificate of Eligibility is issued, it will be sent to the applicant with an Attendance Permission form. The applicant must immediately complete the process to obtain a visa at a Japanese Embassy or Consulate General in the applicant's home country.

- (1) Kansai University will not act as a representative to apply for any visa status other than College Student.
- (2) Be aware that delayed completion of the registration process may result in late delivery of Certificate of Eligibility, which may hinder the applicant's entering Japan.
- (3) Kansai University will decide on the visa representative request based on the application. As a result of the decision, the university may request the applicant to submit additional documents to prove ability of financial support. The university will not respond to any claims made about the final decision.
- (4) The Certificate of Eligibility is granted by the Ministry of Justice; therefore, Kansai University will not take any responsibility if the application is denied. The applicant is not allowed to register for this program if the application is denied, since he/she will not be eligible to stay in Japan legally. Moreover, enrollment at Kansai University with a Short Stay visa is not permitted.
- (5) Those applicants who have a history of being denied a Certificate of Eligibility for whatever reason, will not be issued one unless the problem is resolved. If there is any history of being denied a visa application, inform Kansai University before making the application.
