Graduate School, Major, Course and Enrollment Capacity

Graduate School	Major	Course	Enrollment Capacity
Graduate School of Business and Commerce	Business and Commerce Major	Academic Research Course	35
		Professional Research Course	

Note: The Graduate School of Business and Commerce has not established separate enrollment capacity for each type of entrance examination.

Applicants who wish to study at the Graduate School of Business and Commerce, please read the following information carefully before applying.

At the Graduate School of Business and Commerce, the Master's Program offers 2 courses and you can choose 1 course when applying.

For each course, you can select major subjects and academic advisor from the list called "Graduate School of Business and Commerce: List of Major Subjects and Academic Advisors for 2022 Academic Year (Master's Degree Program)" (pp.8-10).

For the "Academic Research Course", only 1 major subject can be selected, and for the "Professional Research Course", 3 major subjects can be selected. If you do not have the 2nd (or 3rd) desired major subject, please select "None" instead.

However, the "Global Retailing Program" cannot be selected as the 2nd choice (or 3rd choice).

And for the "Professional Research Course", the graduate school may not be able to meet your desired major subjects.

【Caution】 After applying, you cannot change the course, major subjects or specialized subjects of your choice.

(1) About the Course

① Academic Research Course

The "Academic Research Course" aims to provide students with the advanced skills essential to the conduct of effective independent research in their respective areas of specialization, and to foster a high level of scholarship that will form a sound basis from which to conceive and pursue further research projects.

This Course consists mainly of seminars and thesis guidance. And it is intended for applicants who desires to go on to a Ph.D. Degree Program after completion of a Master's Degree Program.

② Professional Research Course

The "Professional Research Course" aims to educate future professionals including business consultants, securities analysts, or certified tax accountants, with a flexibility of mind and a sense of reality.

Its curriculum combines lectures by full-time professors and practitioners, and the subjects are classified and systematized into 3 types: Strategic Management, Distribution and International Business, and Finance and Accounting.

In additional, Graduate school of Kansai University has a school of Accountancy, a school for those who wish to be exempted from the subject of Short-answer Test of Certified Public Accountant.

(2) About the Research Guidance System

① Academic Research Course

The academic advisor in charge of the major subject that you selected when applying will be your academic advisor. Graduate students must take seminars and thesis guidance of the desired academic

advisor, and submit a master's thesis at least 40,000 characters.

② Professional Research Course

The academic advisor in charge of the major subject that you selected (one of the 1st to 3rd choices) when applying will be your academic advisor. Graduate students must take the lectures and study guidance of their academic advisor, and submit a research thesis at least 30,000 characters. Those who wish to proceed to the Ph.D. Degree Program of the Graduate School of Business and Commerce must write at least 40,000 characters.

However, if you wish to enroll in the Global Retailing Program, your academic advisor will be determined in the fall semester of the first year, not at the time of admission. Graduate students will be required to take lectures and joint seminar (global retailing) by the academic advisors of the Global Retailing Program, and submit a research thesis at least 30,000 characters after they receive study guidance from their academic advisor.

If graduate students wish to be exempted from the subjects of the Certified Public Tax Accountants (*Zeirishi*) examination, they must complete the "Tax & Accounting Strategy Program". In addition, students are required to submit a research thesis at least 40,000 characters after receiving study guidance from their academic advisor in the "Tax & Accounting Strategy Program".

For details on the "Global Retailing Program" and "Tax & Accounting Strategy Program", please refer to the Graduate School of Business and Commerce website (https://www.kansai-u.ac.jp/Fc_com/grad/grprogram.html) and the pamphlet called "Kansai University Graduate School Information 2022".

(3) English Proficiency Level Required in the Academic Research Course

English literature is frequently used in research thesis guidance for Academic Research Course. In addition, if you wish to proceed to the Ph.D. Degree Program after completing the Master's Degree Program, you will need to pass an examination for English proficiency in the specialized field.

(4) Completion Requirements

If you have been enrolled in the Master's Degree Program for 2 years or more, acquired 32 credits or more, passed the examination of the master's thesis or the research thesis, and passed the final examination, you will be awarded the master's degree (Business and Commerce).

■Reference Books

On entering the Graduate School of Business and Commerce, examples of basic literatures whose contents should be minimally understood before enrolment can be seen in the following Kansai University Graduate School Entrance Examination Information Website.
