

2023 Admission

International Students Entrance Examination Graduate School of Health and Well-being

Application Guidelines

Note 1: Common items of all graduate schools are published in separate files. Please check together.

Note 2: The application guidelines is the English Version for Japanese-based Program of the International Students Entrance Examination.

Note 3: The application documents which are designated by Kansai University only have Japanese Version.

**Kansai University
Graduate School**

II Admission Policy

Master's Degree Program

The Graduate School of Health and Well-being cultivates health and exercise instructors and also physical education and sports instructors as highly-qualified professionals, and provides basic education for human health and well-being researchers with an interdisciplinary and practical perspective. Thus the Graduate School accepts through a variety of entrance examinations those who have the following knowledge and skills, abilities of thinking, judgement, and expression, as well as proactive attitudes:

1. as for the graduates from the undergraduate course of the Faculty, to have acquired expertise of the specialized area in the undergraduate course. as for the other students, to have basic knowledge required for the promotion of health and well-being.
2. To have abilities to think autonomously from a global perspective through studies of the undergraduate course or social experiences equivalent to them, and to have willingness to contribute to society by demonstrating the capabilities of “Think and Act” , or comprehensive abilities of judgement and activities recommended by the University, while keeping an interactive communication with others.
3. To be always conscious of the needs of the times and to have willingness and dispositions to proactively study academic fields on health and well-being.

Ph.D. Degree Program

The Graduate School of Health and Well-being (Ph.D. Degree Program) aims to cultivate researchers who are capable of promoting human health and well-being from the perspective of “being healthy truly required for people” and highly-qualified professionals who can contribute to realization of health or sports promotion. Thus the Graduate School provides general and adult entrance examinations and accepts those who have the following knowledge and skills, abilities of thinking, judgement, and expression as well as proactive attitudes as the students of Ph.D. Degree Program:

1. As for students from the Graduates School (Master’ s Degree Program), to have acquired expertise of the specialized academic field in the master’ s degree program. As for the other students, to have knowledge required for the promotion of health and well-being equivalent level of students with the master’ s degree;
2. to have abilities of autonomous thinking from a global perspective through studies in the master’ s degree program or social experiences equivalent to them and to have the willingness to contribute to society by understanding regional issues and demonstrating the capabilities of “Think and Act” , or comprehensive abilities of judgement and activities recommended by the University, while keeping an interactive communication with others.
3. To be always conscious of the needs of the times and have willingness and dispositions to proactively study academic areas related to health and well-being with high-levels of professional ethics.

V Application Requirements

Graduate School of Health and Well-being (Master's Degree Program)

Graduate School, Major and Enrollment Capacity

Graduate School	Major	Enrollment Capacity
Graduate School of Health and Well-being	Health and Well-being Major	10

Note: The Graduate School of Health and Well-being has not established separate enrollment capacity for each type of entrance examination.

Master's Degree Program: International Students Entrance Examination (July Examination, October Examination and February Examination)

1. Qualification

Applicants who have obtained Level N1 (previously Level 1) on the Japanese Language Proficiency Test (JLPT) or scored 270 points or higher (including the writing score) on Japanese as a Foreign Language in the Examination for Japanese University Admission for International Students (EJU) which the valid period specified by the issuing institution of the Examination for Japanese University Admission for International Students (EJU) includes the application start date for the Examination Month, and who shall satisfy one of the following (1)~(5) conditions:

(including applicants who are expected to satisfy one of the following (1)~(4) conditions before enrolling at the Graduate School.)

- (1) Applicants who have completed a regular 16-year program of school education outside Japan (Note 1).
- (2) Applicants who have graduated from Japanese universities as international students.
- (3) Persons who have completed a 3-year program or a program of more than 3 years and have been awarded a degree by an overseas university or school (Note 2) which is recognized as being equivalent to a bachelor's degree.
(the 2016 ordinance of the Ministry of Education, Culture, Sports, Science and Technology, No. 19)
- (4) Applicants who have completed Specialized Course at Japanese special training schools after the designated date by the minister of MEXT[†] as international students. The training schools must satisfy the conditions designated by MEXT including that the length of term required for graduation be at least four years.
[†] MEXT; Japanese Ministry of Education, Culture, Sports, Science and Technology
- (5) Applicants who are recognized as having scholastic abilities equivalent or superior to the graduates of university through Pre-qualification Individual Screening for Entrance Examination of the Graduate School. (This requirement shall not apply to the foreigners who are recognized as having received Japanese regular school education program.)

Note 1: Those enrolled in the following schools are considered to be the same as application qualification

(1), as long as the period is less than four years in total.

- Elementary school, junior high school, high school etc. based on Japanese school education law
- Foreign school in Japan
- Overseas educational facilities accredited or designated by the Minister of Education, Culture, Sports, Science and Technology

Note 2: The university or the school shall be evaluated by an organization approved by a relevant official institution in the country for their education and research activities or recognized as so by the Minister of Education, Culture, Sports, Science and Technology.

[IMPORTANT] Notes regarding Pre-qualification Individual Screening for Entrance Examination

1. Subjects:

Applicants under qualification (5)

2. Application Procedures and Deadline:

Refer to 'I Check Qualification before Applying' (in the separate file "Common Items of all Graduate Schools" p.1).

(Note 1) Graduates (or those expected to graduate) from less than 16-year program of school education can also apply. In this case, please contact the Sakai Campus Office by the submission deadline of the documents for the screening as soon as possible.

(Note 2) Applicants who have received (or are expected to receive) the degrees in their home countries equivalent to those of Japanese universities can also apply. In this case, please inquire to the Sakai Campus Office as soon as possible.

[Important] Before submitting your application, you shall contact the academic advisor and grant the permission to apply after referring to the 'Graduate School of Health and Well-being: List of Subject and Academic Advisors for Master's Degree Program 2023 Academic Year (Prospective)' shown after.

2. Application Documents

After you have paid the application fee of ¥35,000, submit the documents listed below.

Review **Cautionary Note** published at the end of the Application Guidelines (Japanese Version), and carefully check your application documents before submitting them.

Please submit the 'Application Document List (Checklist)' as well as the application documents.

Document to be Submitted [Document Number]	Remarks
Application Form (for submission) 【①】	Print out and submit after finalizing your online application.
Statement of Reason for Applying (in Japanese) 【②】	Use the form designated by the University.
Original transcript from previously universities and / or other institutions 【③】	If you have transferred from another university to your current university, you also should submit transcripts from the previous universities and / or other institutions as well. Submit original transcripts. If you cannot submit original transcripts, please submit transcripts that have been notarized by an embassy or other public institutions.
Original certificate of (expected) graduation from previously universities and / or other institutions 【④】	Both of the entrance and (expected) graduation dates must be listed. If the above information is listed on the Application Document ③, this certificate does not need to be submitted. Submit an original certificate of (expected) graduation. If you cannot submit an original certificate, please submit a certificate of (expected) graduation that has been notarized by an embassy or other public institutions. Note) Applicants with Qualification (3) are required to submit a bachelor's degree certificate in addition to the graduation certificate.
Research Plan (in Japanese) 【⑤】	About 1,200 words in length. Submit 1 original and 2 copies. Draft an overview of your proposed research plan on a computer using A4-size paper (horizontal text with 40 characters per row and 40 rows per page).
Certification for Japanese Language Proficiency 【⑩】	In case of Japanese Language Proficiency Test (JLPT) The original of 'Test Result' or 'Certificate of Result and Score' certifying that you have passed Level N1 (Level 1 of Former Test). ★ Be sure to submit the original. In case of Examination for Japanese University Admission (EJU) The Online Certificate 'Score Confirmation Report' certifying that you have acquired 270 or higher points (including the writing score) in Japanese language as a Foreign Language. Please print out the certificate on A4 paper.
Copy of Residence Card or Passport 【⑫】	For a residence card, submit a copy showing both sides. For a passport, submit a copy of pages showing your name, date of birth, photograph, expiration date, residence status, and the most recent period of stay.

Two Photographs	Affix a photograph taken within the last 3 months to the application form (for submission) and to the statement of reason for applying. Your photographs should not be retouched or edited. (The photograph affixed to your application form will be used on the student ID issued after enrollment, should you be admitted.)
-----------------	--

3. Screening Method

The Graduate School will determine whether or not to admit applicants based on a comprehensive evaluation of document screening, written examination and oral examination.

4. Examination Components

Written Examination	Oral Examination
Specialized Subject	
10:00 ~ 11:30 (90 minutes)	Held after the written examination

Note: More information about the oral examination will be provided on the day of the written examination.

5. Examination Details and Allocation of Points

Written Examination	Oral Examination (100 Points)
Specialized Subject (100 Points)	
Basic question on health and well-being	You will be asked questions in relation to the following points: ① Basic knowledge on the specialized subject ② Details of previous research ③ Research topic, methods and other details after enrollment

Note: Please select an academic advisor on applying.

The subject and academic advisors may change as needed.

If it changes, we will notify applicants via posting a notice (Japanese Version) on our website, please check our website before applying.

Extended Enrollment System

In order to better meet the diverse needs of enrollees and expand opportunities for graduate-level learning and research, the Graduate Schools of Law, Letters, Informatics, Foreign Language Education and Research, Psychology (Psychology Major), East Asian Cultures, Governance, Health and Well-being offer a three-year course, in addition to the standard two-year Master's Degree Program. This program offers the following characteristics.

(1) Annual Course Credit Limits

Under this program the limit of annual credit is as follows:

【Graduate Schools of Law, Informatics, Psychology (Psychology Major), Governance】

Course	First Year	Second Year	Third Year
Two-year Course	28	28	—
Three-year Course	20	20	16

【Graduate Schools of Letters, Foreign Language Education and Research, East Asian Cultures, Health and Well-being】

Course	First Year	Second Year	Third Year
Two-year Course	30	30	—
Three-year Course	20	20	20

(2) Assignment of Classes by Year for the Three-year Course

Graduate School of Law	Seminar (1)A and (1)B, a major subject in the Legal and Political Studies Course is assigned to first- and second-year students. Seminar (2)A and (2)B is assigned to third-year students. Seminar in the Business Law Course and Public Policy Course are assigned to third-year students.
Graduate School of Letters	Seminar (1)A and (1)B is assigned to as a research guidance class for their master's thesis; while Seminar (2)A and (2)B is assigned to third-year students. The master's thesis is submittal in the third-year.
Graduate School of Informatics	A research guidance class for students' master's thesis is assigned to third-year students. Submission of master's thesis is in the third-year.
Graduate School of Foreign Language Education and Research	The classes taught by the student's faculty advisor as well as the Master's Degree Program Seminars 1a and 1b are assigned to first-year students. Master's Program Seminars 2a and 2b are assigned to third-year students.
Graduate School of Psychology (Psychology Major)	Seminar of Psychology (1)A and (1)B is assigned to first-year students, while Seminar of Psychology (2)A and (2)B is assigned to third-year students. Submission of master's thesis is in the third-year.
Graduate School of East Asian Cultures	Seminar (1)A and (1)B is assigned to as a research guidance class for their master's thesis; while Seminar (2)A and (2)B is assigned to third-year students. The master's thesis is submittal in the third-year.
Graduate School of Governance	Seminar of Governance I and II is assigned to first-year students, while Seminar of Governance III and IV, a research guidance class that focuses on a specific topic, is assigned to third-year students. Submission of master's thesis or a report on a specific theme of research is in the third-year.
Graduate School of Health and Well-being	Seminar of Health and Well-being (1)A and (1)B is assigned to as a research guidance class for their master's thesis; while Seminar of Health and Well-being (2)A and (2)B is assigned to third-year students. The master's thesis is submittal in the third-year.

(3) Changing Courses after Enrollment

At the time enrollees become second-year students, they can request to switch from the three-year course to the two-year course if they satisfy the following conditions as designated by each Graduate School. If they do so, at the Graduate Schools of Law, Informatics, Psychology (Psychology Major), Governance, the course limit

of their second-year will be 28 credits, and at the Graduate Schools of Letters, Foreign Language Education and Research, East Asian Cultures, Health and Well-being, the course limit of their second-year will be 30 credits.

Eligible students will be notified during the fall semester of their first-year (Enrollees from the fall semester: spring semester of their first-year) by the University’s Information System. Please note that it is impossible to switch from the two-year course to the three-year course.

Graduate School of Law	The student must have earned 20 credits, which is the requirement for submitting a master’s thesis, as of the end of his or her first-year.
Graduate School of Letters	
Graduate School of Foreign Language Education and Research	
Graduate School of Psychology (Psychology Major)	
Graduate School of East Asian Cultures	
Graduate School of Health and Well-being	The student must have earned 16 credits, which is the requirement for submitting a master’s thesis, as of the end of his or her first-year.
Graduate School of Informatics	
Graduate School of Governance	The student must have earned 20 credits, which is the requirement for submitting a master’s thesis or a report on a specific theme of research, as of the end of his or her first-year.

(4) Limit of Years Enrolled

Limit of years enrolled for both the two-year course and three-year course is 4 years.

(5) Graduation Requirements

The graduate requirements are the same for both the two-year and three-year courses. Students enrolled in the three-year course shall take three years to complete the same requirements as students enrolled in the two-year course. For more information, see the “Graduate School Guidelines,” which you will receive at the time of enrollment.

(6) School Fees

As for School fees, refer to ‘8 School Fees and Other Fees for 2023’ (in the separate file “Common Items of all Graduate Schools” pp.20-26).

If you change your attendance period of the Graduate School in the course of study, you must also pay the tuition of the 3rd grade at the beginning of the 2nd grade.

(Confirm the exact amount of the school fees and other fees to pay when you take the changing procedures.)

If you wish to apply for the three-year course under the Extended Enrollment System, select “Three-year Course” for the “Extended Enrollment” field on the Online Application. Your selection of either course will have no effect on the admission decision.

If you wish to switch courses after being admitted, inform the Graduate School Admissions Division by Spring enrollment: January 13 (Fri), 2023, Fall enrollment: July 28 (Fri), 2023.

Please note that applicants admitted under the University’s February Examination are not able to switch courses prior to their enrollment.

Graduate School of Health and Well-being (Ph.D. Degree Program)

Graduate School, Major and Enrollment Capacity

Graduate School	Major	Enrollment Capacity
Graduate School of Health and Well-being	Health and Well-being Major	4

Note: The Graduate School of Health and Well-being has not established separate enrollment capacity for each type of entrance examination.

Ph.D. Degree Program: General Entrance Examination (October Examination and February Examination)

1. Qualification

【October Examination】

Applicants shall satisfy one of the following (1)~(7) conditions:

(including applicants who are expected to satisfy one of the following (1)~(5) conditions by October 2021.)

- (1) Applicants who have received a master's or professional degree.
- (2) Applicants who have received a master's or professional degree at graduate schools outside Japan.
- (3) Applicants who have completed correspondence courses of the foreign schools in Japan and have received degrees equivalent to master's or professional degrees.
- (4) Applicants who have completed courses of graduate schools which are provided as those in the foreign educational institution and specified separately by Minister of MEXT of Japan and have received degrees equivalent to master's or professional degrees.
- (5) Applicants who have completed programs and received degrees equivalent to a master's degree from the United Nations University*.

*United Nations University; established by the resolution of the General Assembly of the United Nations on December 11, 1972, as stipulated in Article 1 Paragraph 2 of the Act on Special Measures incidental to Enforcement of the Agreement between the United Nations and Japan regarding the Headquarters of the United Nations University.

- (6) Applicants designated by the minister of MEXT[†]. (Bulletin No. 118 of 1989)

[†] MEXT; Japanese Ministry of Education, Culture, Sports, Science and Technology

- (7) Applicants who are recognized as having degrees equivalent or superior to a master's degree by our graduate school and have reached the age of 24 (before enrolling the Graduate School). This requirement shall not apply to the foreigners who are recognized as having received Japanese regular school education program.

【February Examination】

Applicants shall satisfy one of the following (1)~(7) conditions:

(including applicants who are expected to satisfy one of the following (1)~(5) conditions before enrolling at the Graduate School)

- (1) Applicants who have received master's or professional degrees.
- (2) Applicants who have received master's or professional degrees at graduate schools outside Japan.
- (3) Applicants who have completed correspondence courses of the foreign schools in Japan and have received degrees equivalent to master's or professional degrees.
- (4) Applicants who have completed courses of graduate schools which are provided as those in the foreign educational institution and specified separately by Minister of MEXT of Japan and have received degrees equivalent to master's or professional degrees.
- (5) Applicants who have completed programs and received degrees equivalent to a master's degree from the United Nations University*.

*United Nations University; established by the resolution of the General Assembly of the United Nations on December 11, 1972, as stipulated in Article 1 Paragraph 2 of the Act on Special Measures incidental to Enforcement of the Agreement between the United Nations and Japan regarding the Headquarters of the United Nations University.

- (6) Applicants designated by the minister of MEXT[†]. (Bulletin No. 118 of 1989)

[†] MEXT; Japanese Ministry of Education, Culture, Sports, Science and Technology

- (7) Other applicants who are recognized as having degrees equivalent to or superior to a master's degree by our graduate school and have reached the age of 24 (before enrolling the Graduate School). This requirement shall not apply to the foreigners who are recognized as having received Japanese regular school education program.

【IMPORTANT】 Notes regarding Pre-qualification Individual Screening for Entrance Examination

1. Subjects:
Applicants under qualification (6) or (7)
2. Application Procedures and Deadline:
Refer to 'I Check Qualification before Applying' (in the separate file "Common Items of all Graduate Schools" p.1).

【Important】 Before submitting your application, you shall contact the academic advisor and grant the permission to apply after referring to the 'Graduate School of Health and Well-being: List of Subject and Academic Advisors for Ph.D. Degree Program 2023 Academic Year (Prospective)' shown after.

2. Application Documents

After you have paid the application fee of ¥35,000, submit the documents listed below.

Review [Cautionary Note](#) published at the end of the Application Guidelines (Japanese Version), and carefully check your application documents before submitting them.

Please submit the 'Application Document List (Checklist)' as well as the application documents.

Document to be Submitted [Document Number]	Remarks
Documents to be submitted by all applicants	
Application Form (for submission) 【①】	Print out and submit after finalizing your online application.
Statement of Reason for Applying (in Japanese) 【②】	Use the form designated by the University.
Original transcript from previously graduate school 【③】	Submit original transcripts. If you cannot submit original transcripts, please submit transcripts that have been notarized by an embassy or other public institutions.
Original certificate of (expected) completion from previously attended graduate school, or a notarized document certifying (expected) completion 【④】	This certificate does not to be submitted if the Application Document ③ including the information that you have graduated or expected to completion. Submit an original certificate of (expected) completion. If you cannot submit an original certificate, please submit a certificate of (expected) completion that has been notarized by an embassy or other public institutions.
Research Plan 【⑤】	About 1,200 words in length. Submit 1 original and 2 copies. Draft an overview of your proposed research plan of on a computer using A4-size paper (horizontal text with 40 words per row and 40 rows per page).
Report of research works 【⑥】	1 original and 2 copies of research outlines with about 2,000 words in A4 format (40×40 horizontally) using PC and others.
Achievements 【⑦】	Every 3 copies of offprints or copies of academic theses, academic conference presentations, and research reports.
If you satisfy the conditions for exemption from the foreign language written examination: Submit an original document and 1 copy of document certifying that fact 【⑩】 ★If applicable	· Submit an original and 1 copy only if you satisfy the conditions for exemption from the Foreign Language Written Examination (refer to Note 2 in "4. Examination Components" below). (The original will be returned on the day of the examination.)
Copy of Residence Card or Passport 【⑫】 ★Only applicants with nationalities other than Japan (excluding special permanent residents).	For a residence card, submit a copy showing both sides. For a passport, submit a copy of pages showing your name, date of birth, photograph, expiration date, residence status, and the most recent period of stay.
Two Photographs	Affix a photograph taken within the last 3 months to the application form (for submission) and to the statement of reason for applying. Your photographs should not be retouched or edited. (The photograph affixed to your application form will be used on the student ID issued after enrollment, should you be admitted.)

Document to be Submitted 【Document Number】	Remarks
Applicants who are eligible under qualification (1)~(5) above and have already submitted a master's thesis.	
Outlines of master's thesis 【⑧】	1 original and 2 copies with about 3,000 words in A4 format (40×40 horizontally) using PC and others.
Copy of master's thesis 【⑨】	3 copies
Applicants who are eligible under qualification (1)~(5) above and expect to submit a master's thesis.	
Outlines of master's thesis to be submitted 【⑧】※	1 original and 2 copies with about 3,000 words in A4 format (40×40 horizontally) using PC and others.
Copy of master's thesis to be submitted or its draft 【⑨】※	3 copies

※ If you are expected to graduate from your graduate school and apply for the February Examination, you can submit as long as your copy of master's thesis and outline of master's thesis until January 31 (Mon.) 2022. However, if you can't submit it due to your school circumference, please contact Sakai Campus Office in advance. Other application documents should be submitted by the due date.

3. Screening Method

The Graduate School will determine whether or not to admit applicants based on a comprehensive evaluation of document screening, written examination and oral examination.

4. Examination Components

Written Examination		Oral Examination
Specialized Subject (Note 1)	English (Note 2)	
10:00 ~ 11:30 (90 minutes)	13:00 ~ 14:30 (90 minutes)	Held after the written examination

Note 1: Applicants who are expected to graduate the Graduate School of Health and Well-being will be exempted from examination of Specialized Subject.

Note 2: You will be allowed to refer to a dictionary provided by the University during the English examination. If you satisfy any of the following conditions, you are exempt from the English examination.

- (1) Score of Grade Pre-1 or better on the Practical English Proficiency Test
- (2) Score of 68 or better on a TOEFL iBT® (including My Best™ scores) taken within 2 years from the application start date of each Examination Results Month
As for My Best™ scores, it will be unavailable if there are some scores taken within the last 2 years
- (3) Score of 650 or better on a TOEIC® L & R test taken within 2 years from the application start date of each Examination Results Month

Note 3: More information about the oral examination will be provided on the day of the written examination.

5. Examination Details and Allocation of Points

Written Examination		Oral Examination (100 Points)
Specialized Subject (100 Points)	English (100 Points)	
About specialized fields of the desired advisor	Basic abilities required for understanding English literatures and documents	You will be asked questions in relation to the following points: ① Basic knowledge on the specialized fields ② Details of previous research ③ Research topic, methods and other details after enrollment

Note: Please select an academic advisor on applying.

The subject and academic advisors may change as needed.

If it changes, we will notify applicants via posting a notice (Japanese Version) on our website, please check our website before applying.
