

Scholarship for international students in academic year 2027-2029 benefit details by Faculty, Graduate School

【Undergraduate students】

Faculty	Academic results criteria	The number of students to be granted	The amount of scholarship
Faculty of Law	Depends on the academic resultts of the entrance exams	3	240,000
Faculty of Letters	Depends on the academic resultts of the entrance exams	8	270,000
Faculty of Economics	Depends on the academic resultts of the entrance exams	14	300,000
Faculty of Business and Commerce	New Students: Ranking shall be determined based on the total admission assessment score. In the event that two or more applicants receive the same score, ranking shall be determined by the combined score of the English proficiency examination and the Examination for Japanese University Admission for International Students (EJU). Continuing Students (Upper-Year Students): Ranking shall be determined based on GPA, with students having a higher GPA ranked higher. Where students have the same GPA, ranking shall be determined by average score. If a tie still remains, ranking shall be determined by total score.	16	200,000
Faculty of Socilogy	Applicants whose combined score in the Japanese language section and the Comprehensive Subjects section of the EJU is 520 points or higher out of a maximum of 650 points (Japanese: 450 points; Comprehensive Subjects: 200 points) shall be considered for selection. Eligible applicants shall be ranked in descending order based on their combined EJU score. In the event that two or more applicants receive the same combined score, ranking shall be determined through a comprehensive evaluation that takes into account the interview assessment and the scores of external English proficiency examinations.	2	300,000
Faculty of Policy Studies	Depends on the academic resultts of the entrance exams	5	180,000
Faculty of Foreign Language Studies	Depends on the academic resultts of the entrance exams (Transfer Admission Examination for International Students)	2	320,000
Faculty of Health and Well-being	Depends on the academic resultts of the entrance exams	2	220,000
Faculty of Informatics	Scholarship will be provided to top one of the students who performed top scores at EJU Japanese (For students entering in the Spring and Fall semester).	3	400,000
Faculty of societal Safety Sciences	Depends on the academic resultts of the entrance exams	2	350,000
Faculty of Business data and Science	Depends on the academic resultts of the entrance exams	2	570,000
Faculty of Engineering Science	The students with good academic scores in EJU in each department	8	300,000
Faculty of Environmental and Urban Engineering	The students with good academic scores in EJU in each department	8	300,000
Faculty of Chemistry Materials and Bioengineering	The students with good academic scores in EJU in each department	6	300,000

【Master's Degree Program】

Graduate Schools	Academic results criteria	The number of students to be	The amount of scholarship		
			2-year course	3-year course	4-yr course
Graduate School of Law	Depends on the academic resultts of the entrance exams	2	190,000	130,000	
Graduate School of Letters	Depends on the academic resultts of the entrance exams	4	270,000	200,000	
Graduate School of Economics	Depends on the academic resultts of the entrance exams	2	250,000		
Graduate School of Business and Commerce	New Students: (1) Applicants who have achieved a score of 145 or higher on the JLPT N1 and 90 or higher on the TOEFL, and (2) Applicants who have demonstrated outstanding performance in the entrance examination. ※Priority will be given to applicants who meet criterion (1). Upper-Year Students: Students will be ranked based on the highest average of raw academic scores earned up to the end of the previous academic year. In the event of a tie, priority will be given to the student with the higher GPA. If a tie still remains, priority will be given to the student who has earned a greater number of credits.	5	130,000	130,000	
Graduate School of Sociology	Selection will be made from among applicants who have obtained a score of 145 or higher on the JLPT N1 or 380 or higher on the Japanese language section of the EJU (maximum score: 450), in accordance with the following criteria: (1) Applicants with EJU scores Applicants will be ranked according to their EJU Japanese language scores. If two or more applicants have the same Japanese language score, the applicant with the higher combined score of the Japanese language section and the General Subjects section (maximum score: 200) will be ranked higher. If the combined scores are also the same, a comprehensive evaluation will be conducted based on the results of the written examination and oral interview. (2) Applicants with JLPT scores Applicants will be ranked according to their JLPT scores. If two or more applicants have the same score, a comprehensive evaluation will be conducted based on the results of the written examination and oral interview. If only one recipient is to be selected for the Master's Program of the Graduate School of Sociology in the relevant academic year, the recipient will be chosen from among the successful applicants in both the October and February admissions rounds. If two or more recipients are to be selected, one recipient will be allocated to each of the October and February admissions rounds. Any remaining recipient positions will then be filled by selecting from among the successful applicants in both admissions rounds.	3	250,000		
Graduate School of Informatics	Result of the entrance exams and academic results (For students entering in the Spring and Fall semesters)	2	300,000	200,000	
Graduate School of Schience and Engineering	Depends on the academic resultts of the entrance exams	6	250,000		
Graduate School of Foreign Language Education and Research	Depends on the academic resultts of the entrance exams	3	130,000	90,000	
Graduate School of Psychology※	Depends on the academic resultts of the entrance exams	1	370,000	270,000	
Graduate School of Societal Safety Schiencies	Depends on the academic resultts of the entrance exams	2	240,000
