Registration Required

### What is oVice?

oVice is a new online channel which enables you to enjoy real communication online!

You will enter the virtual space as an avatar :)  
It's different from Zoom, and you are able to move freely in the virtual space. When you get close to the other avatar, you will hear the conversation, which will make you interact with others as if you are sitting next each other.

### Online Mystery Solving Game

# TABITANTEI

~Find out about Japanese Legend~

Capacity  
20 to 50 people  
per a day  
1 team consists of  
approximately  
4 to 5 people

You are a detective who is traveling entire Japan. You got a request from a mysterious person one day and your story now begins.

The request from a mysterious person starts from easy things and will become difficult gradually and it will finally become  
mystery solving related to ancient legend...

You will be traveling the whole Japan on virtual space and solve a mystery on each area.

This is not a personal challenge! You have to work as a team.

Please cooperate with your teammates and solve mysteries.

You are more than welcome to join this event with your friends.

※In case if you would like to team up with your friend, please fill out your friend's name in the registration form. (You can make a team up to two people including yourself.)

※Application will close upon reaching its capacity.
