Ministry of Education, Culture, Sports, Science and Technology (MEXT)

"Support Program for Creating Social Impact through University Internationalization" Selection
OSIP (Osaka Social Impact Project) Extracurricular Multicultural Co-learning Project

One action is worth more
than a hundred plans
Social Impact Project Ideathon

Identify **issues**
that can improve the **Osaka**
Prefecture (region) and propose
"actionable solutions"
that can be implemented
by 2025!

Let's develop the skills to thrive in a global society through practical experience!

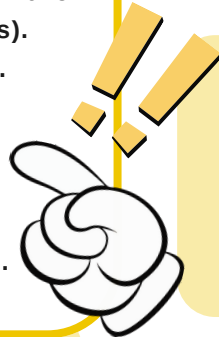

In today's global society, simply having knowledge is not enough.

The ability to understand different cultures and values, and to take action accordingly,
is required. What is important is 'action-based co-learning.'"

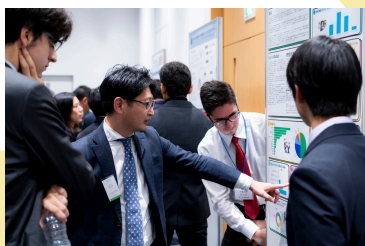

Project Features

- The best proposal will be implemented in 2025 (with partial funding support for activities).
- A certificate of completion will be issued.
- You will study together with international students in an environment similar to studying abroad on campus.
- You will have the opportunity to interact with employees from major corporations.

Collaborators

- Kansai Electric Power Co., Inc.
- KYOCERA Corporation
- Shimizu Corporation
- Link and Motivation Inc.
- ...and others (under negotiation)
