6. Internationalization

Opportunities for studying abroad

UDEM offers its students more than

1,100 International study abroad options in **70** countries.

Students abroad

In 2017 **55%** of the graduating class had an international experience.

+ 1,000 students study abroad every year.

Diversity

Each year we host over

500 international students from more than **30** countries.

Internationalization at home

Our intercultural Competences Program aims to develop and increase the intercultural sensitivity of our students. With a pre-departure - on site - re-entry approach (one semester each), students make the most of their semester abroad.
