## 2. Important Changes

### Enrollment of Graduate Students (Seoul Campus ONLY)

From Spring 2021, Hanyang University has decided to accept exchange students only to the Undergraduate program and will no longer accept students to the Graduate program. Graduate students are still welcome to join the Undergraduate program if the home university permits and will have same eligibility to take the free Korean language courses. (Please note that Hanyang University offers larger number of English courses in undergraduate program).

\* This change will not affect the partners with direct agreement with our Graduate schools (Ex, Graduate School of International Studies, Graduate School of Urban Studies, etc)

### Cumulative GPA Confirmation

To consider and respect as much as our partners' diverse grading system and to meet the qualification of the Hanyang University exchange program, we would like to request a confirmation from the student's home university for the cumulative GPA. There will be a part on the nomination form to confirm that the student's

cumulative GPA is over 60% based on home university grading system, and it should be confirmed by the home university coordinator in order for the student to be qualified to apply for the Hanyang exchange program.

## On-Campus Dormitory

On-campus dormitory will not be available until further notice due to COVID-19. Instead, we will share useful information that students can refer to when arranging accommodation through newsletter.

\* For partners with reciprocal agreement regarding the dormitory, we will be sending a separate email for further information.

## 4. Academic Information

---

### English Course

We offer around 1,000 courses in English per year over various departments. Exchange students are allowed to take courses from different departments **upon availability**. The most up-to-date course list becomes available a month prior to the beginning of semester. Until then, student should refer to the previous year's course list. (e.g. 2021 Spring semester applicant should refer to 2020 Spring semester course list)

The previous English course list and information on how to find the syllabus can be found on our [website](#).

### Korean Language Course

Two (2) types of Korean language courses are offered for exchange students during their study period at Hanyang: Introductory Korean and Intensive Korean.

### Credits and Study Load

1 HYU credit consists of 15 contact hours. Regular student's study load at Hanyang is 15~18 credits per semester while maximum credits are 20. Exchange students should take at least one regular course to maintain their visa.

### Course Registration

Before coming to Korea, students will have a chance to register courses online. There are different phases for course registration categorized by their major and year and it works on "first-come, first-served" basis. The specific dates will be sent to students directly through email and uploaded to our website: [Academic Calendar](#)

### Evaluation and Grade

Although the evaluation method may differ based on professor's policy, attendance is always an essential part of the evaluation process. Extra fees will be charged if students wish to receive additional transcripts of her/his program.
