○研究者向け講演会タイトル: Cultural diversity in cross-cultural settings: multidisciplinary perspectives

○日時: 2024 年 5 月 10 日 4 時限目 (14:40~16:10)

○概要:

The presentation was held in the Iwasaki Memorial Building, and approximately 40 people attended. In the presentation, Dr Mammadova discussed the role of cultural exchange in our globalized world, influenced by people moving across borders. She emphasized how international mobility and study-abroad programs foster cross-cultural interaction and communication. Her focus was on understanding intercultural personhood, where she explained the value in appreciating other cultures through people's own perspectives. She explored intercultural communication from various perspectives, emphasizing the relationship between language and culture. Participants responded by giving examples of their own intercultural experiences and linking them to the discussion section of the talk.
